

## FUSE Power Washing - Flatwork Site Preparation

Dear Homeowner,

FUSE Power Washing is coming to wash your home! Here are some things that we would love for you to do to prepare for the job. By preparing your home, we will be able to clean to the highest standard!

### Preparation

1. Remove all furniture from designated areas.
2. Temporarily move cars from the driveway if applicable.
3. Ensure all faucets have water pressure and are able to flow.
4. Technicians may require access to your yard, please ensure any gates or restricted areas are unlocked and accessible.

### Things to Note

1. Our surface cleaning process will remove all dirt and debris, but extra chemicals will be required for deep rust, grease, or oil stains.
2. Please inform technicians if your home has issues with draining water.

Please sign below to confirm your home will be properly prepared for our service!
